Dated 9th October *1952*

FROM C-K 27-S-17

THE COMMISSIONER
CORPORATION OF THE CITY OF BANGALORE
BANGALORE

To 52

The Secretary to the Government of Mysore,
Local Self Government Department,
Bangalore

SIR

Subject DRAFT BYE-LAWS FRAMED UNDER THE CITY OF BANGALORE MUNICIPAL CORPORATION ACT, 1949

Ref YOUR UN-OFFICIAL NOTE NO 129 DATED 25-7-1952

I forward herewith for favour of sanction of the Government under section 370 of the City of Bangalore Municipal Corporation Act, 1949, a copy of the bye-laws framed by the Bangalore Corporation under sub-section (28) of section 367 of the Act, for the prevention of dangerous diseases of men in the City of Bangalore

2 The draft bye-laws are based on the existing bye-laws of the Bangalore City Municipality - Chapter XX, and of the Madras Corporation, a copy of which is enclosed for reference and return

3 Two separate bye-laws, one for the prevention of dangerous diseases of men and the other for the prevention of dangerous diseases of animals are considered necessary by the Health Officer on medical grounds, though both the drafts have been framed under the same provisions of the Act, namely, sub-section (28) of section 367

4 Bye-law No 1 has been omitted as "dangerous diseases" has already been defined in sub-section 3,(15) (a) of the Act Bye-law Nos 18 and 19 which deal with animals have been omitted as recessary provision have bean included in the

p t o

in the draft bye-laws* pertaining to diseases of animals

* sent separately)

1 For the purpose of these Bye laws the term dangerous d sease means the diseases notified by Government as such under section 345 of the City of Bangalore Mun cipal Corporation Act, 1949

2 The Commissioner or the Health Officer or any person authorised by him in this behalf may at all reasonable hours inspect any place in which any ~~notifiable~~ disease dangerous is reported or s spected to exist after such notice as may appear to him reasonable and take such measures as he m y consider necessary to prevent the spread of such disease beyond s ch place

3 [a] If it appears to the Commissioner or the Health Officer that the destruction of any hut or shed is necessary to prevent the spread of any ~~notifiable~~ disease he dangerous may after giving to the occupier of such hut or shed such previous notice of his intention as may in the circumstances of the case appear to him rea onable take measures for having such hut or shed and all the materials thereof destroyed

[b] If it appears to the Commissioner or the Health Officer that any person suffering from any such diseases is—

[i] without proper lodging or accommodation

349

[ii] lodged in a place occupied by more families

[iii] without medical supervision directed to the prevention of spread of the disease or

[iv] in a place where his or her presence is a danger to the neighbourhood and should be removed to a hospital or other place at which patients suffering from uch diseases are received for treatment the Co nmissioner or the Health Officer may remove such person or cause his removal to such hospital or place

[c] If any woman who according to custom does not appear in public is removed to any such hospital or place —

[i] the removal shall be effected in such a way as to preserve her privacy

[ii] special accommodation in accordance with the customs aforesaid shall be provided to her in such hospital or place

[d] No person shall leave or be taken away from any hospital or other place referred to in Sub-Section [a] without the permission of the Medical Officer in charge or the Commissioner or the Health Officer

4 If on the application of the Health Officer a Magistrate [not being a Magistrate of the Third Class] is satisfied that it is necessary in the interest of the public health that a lodging house or any place where articles of food are sold or prepared or stored or exposed for sale should be closed on account of the existence or recent occurance in such lodging house or place of a case of a ~~notifiable~~ disease the Magistrate may by order direct it to be closed until the expiry of such period as may be specified in the order or until it is certified by the Health Officer to be free from infection

[c] any School o College playgı o nd or s ı h other ı lace or

[d] any Hotel Hostel boarding ho ıse cho ltry ı est house or cl ıb or

[e] any Factory or shop

Explanation —

A person shall be deemed to k ıow that he is s ıffe ing from a ~~notifiable~~ dangerous disease ıf he has been ınformed by the He lth Officer or any othe oth er of or al ove the rank of a Health Inspector or a Medical Practitioner that he is o suffering

[2] No person who has the care of a person whom he knows to be suff ring from a ~~notifiable~~ dangerous disease shall cause o permit that person to expo e othe s to the risk of ınfect on by his person or condı ct ın any place referred to ın clause [1] above

7 8 [a] If a case of ~~notifiable~~ dangerous dı ease occurs on any prem ses the Health Officer may whether th person suffering from the d s ase has been re noved from the premises or not make an o der f bidding any work to wh ch this bye law applies to be given out to any person living or working on those ı remises or ın such part thereof as may be pec fied ın the order or any order so made may be served on the occupier of the factory f om which the work is given out or ny contrac or employ d by such occ pier

[b] An order under this bye law may be expressed to be operative for a specified time or until the premises or any pa t thereof specified in the order have been dı ınfected to the satisfaction of the Health Officer or may be expressed to be ın operation so long a any other reasonable precautions specified ın the order are taken

) 9 No person who knows that he is suffering from a ~~notifiable~~ dangerous d ease shall take any bool or cau e any book to be tal en for his use or use any book taken fro n any public or circulating libra y

9 10 [2] No person having the charge or control of the body of any pe son who has died while suffering from a ~~notifiable~~ dangerous disease shall permit or suffer persons to come unnecessarily into contact with or proximity to the body

[b] No person shall without the anction in writing of the Health Officer keep or suffer ı ı any premises for more than twelve hours the body of any person who has died while sufteıing from any ~~notifiable~~ dangerous disea e

[c] If any such body remains undisposed of for more than twelve ~~hours~~ hours w thout the sanction refe red to ın clause [b] above or if the d ad body of any person is kept or suffered to be kept in any building or of any adjoining or neighbouring build ng any M ıgistrate may on the ap ı licatioı of the He lth Officer order the body to be removed and disposed of within a specified time by the Corporat on

[d] The expenses of the removal and disposal of any such dead body shall be borne by the Corporation but such expenses may be recovered as if it were a tax due to the Corporation from any person who would have been legally liable therefor but for such removal and disposal unless in the opinion of Corporation he is too poor to do so

[e] If any person dies in a hospital or a place of temporary accommodation for the sick while suffering from a ~~notifiable~~ dangerous disease and the Health Officer certifies that in his opinion it is desirable in order to prevent the spread of infection that the body should not be removed from such hospital or place except for the purpose of being taken direct to a burial or burning ground or a crematorium for being forthwith buried or cremated no person shall remove the body from the hospital or place except for such a purpose

[f] When the body is removed for the purpose aforesaid it shall forthwith be taken direct to a burial or burning ground or a crematorium and there buried or cremated with the least practicable delay

10 ~~11~~ Any one who removes the corpse of any person who has died of any dangerous disease shall bury or burn with such corpse any cloths or clothes used for conveying the same

11 ~~12~~ No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall carry on the calling of a washerman or barber or be employed in or assist in the carrying on of such calling No leper and no person suffering as aforesaid shall beg in any public street

12 ~~13~~ No washerman shall carry on his calling on the occurrence of any dangerous disease in his premises and he shall not resume his calling without the permission of the Health Office

13 ~~14~~ On the occurrence of any dangerous disease in his premises a washerman shall retain all cloths in his possession until he written permission of the Health Officer has been obtained to return them to the owners

14 ~~15~~ A washerman shall at once report to the Health Office or the Divisional Health Inspector all cases of dangerous disease coming to his notice in the course of his calling

15 ~~16~~ The person in charge of any premises used for carrying on the calling of a dhobi shall store or cause to be stored soiled clothes in separate rooms

16 ~~17~~ No person shall wash soiled clothing in the source or sources of the public water-supply

17 ~~18~~ No person shall flay or cut up in any circumstances the body of any animal which has died of anthrax glanders rinderpest or tetanus and the owner or person in charge of such body shall forthwith remove the same and burn it or bury it at least six feet deep after completely covering it with a layer of lime at least one inch in depth

18 ~~19~~ The Commissioner or the Health Officer may seize any article which is infected or is suspected to be infected with anthrax or tetanus and cause it to be disinfected and returned to the owner Wherein the opinion of the Health Officer such disinfection is not possible the Commissioner or the Health Officer shall cause such article to be forthwith destroyed

19 ~~20~~ If in the opinion of the Health Officer there is imminent danger of the introduction of dangerous epidemic disease the Commissioner may (with the sanction of the Government) by public notice prohibit the entry into municipal limits of person or persons during a specified period No vagrant or professional beggar shall after such notice and during such specified period enter the municipal limits

20 ~~21~~ In the event of the prevalence of a ~~notifiable~~ dangerous disease in the municipal limits on the application of the Health Officer any Magistrate not being a Magistrate of the Third Class having local jurisdiction shall have power to prohibit either generally or by special order any individual case assemblages consisting of any number of persons exceeding fifty in any place whether public or private or in any circumstances or for

12-

any purpose if in his opinion such a semblages in such place ir such circumstances or for such purpose would be likely to become a means of spreading the disease or of rendering it more virulent

19 ~~22~~ The Health Officer or any other officer authori ed by him may enter upon any premises and take such step as may be necessary for the pu pos of destroying the rats mice and other animals susceptible to plague infesting the same after giving not less than twenty-four hours previous notice to such occupier or owner

20 ~~28~~ [1] Whoever infringes any of the foregoing bye laws shall be punished with fine which may extend to Rs 50/- and in case of a continu ng b each with a fine which may extend to Rs 15/ for every d y d ri ng which the breach continues fter conv ction for the first breach ~~and or~~

[2] ~~whoever disobeys or fails to comply with any notice or order issue under any of these bye laws shall be punished with fine which may extend to Rs 50/- and~~ with fine which may exte id to Rs 10/- for every day during which the breach continues after receipt of notice from the Com mi sioner to discontinue such breach

BYE LAWS FRAMED BY THE CITY OF BANGALORE MUNICIPAL CORPORATION UNDER SUB SECTION (28) OF SECTION 367 OF THE CITY OF BANGALORE MUNICIPAL CORPORATION ACT, 1949 (ACT NO LXIX) TO PROVIDE FOR THE PREVENTION OF DANGEROUS DISEASES OF MEN IN THE CITY OF BANGALORE

---

1 The Commissioner or the Health Officer or any person authorised by him in this behalf may, at all reasonable hours inspect any place in which any dangerous disease is reported or suspected to exist after such notice as may appear to him reasonable, and take such measures as he may consider necessary to prevent the spread of such disease beyord such place

2 (a) If it appears to the Commissioner or the Health Officer that the destruction of any hut or shed is necessary to prevent the spread of any ~~xxxfxxxxx~~ dangerous disease, he may after giving to the occupier of such hut or shed, such previous notice of his intention as may in the circumstances of the case appear to him reasonable, take measures for having such hut or shed and all the materials thereof destroyed

(b) If it appears to the Commissioner or the Health Officer that any person suffering from any such diseases is -

i) without proper lodging or accommodation,

ii) lodged in a place occupied by more families,

iii) without medical supervision directed to the prevention of spread of the disease, or

iv) in a place where his or her presence is a danger to the neighbourhood and should be removed to a hospital or other place at which patients suffering from such diseases are received for treatment, the Commissioner or the Health Officer may remove such person or cause his removal to such hospital or place

(c) If any woman who, according to custom does not appear in public, is removed to any such hospital or place -

i) the removal shall be effected in such a way as to preserve her privacy,

ii) special accommodation in accordance with the customs aforesaid shall be provided to her in such hospital or place,

(d) No person shall leave or be taken away from any hospital or other place referred to in Sub Section (a) without the permission of the Medical Officer in charge or the Commissioner or the Health Officer

3 If on the application of the Health Officer, a Magistrate (not being a Magistrate of the Third Class) is satisfied that it is necessary in the interest of the public health that a lodging house or any place where articles of food are sold or prepared or stores or exposed for sale should be closed on account of the existence or recent occurance in such lodging house or place, of a case of dangerous disease, the Magistrate may, by order, direct it to be closed until the expiry of such period as may be specified, in the order or until it is certified by the Health Officer to be free from infection

4 No person shall send or take to any laundry or public wash - house or any public water course, tank or well for the purpose of being washed or to any place for the purpose of being cleaned, any clothing bedding or other article which he knows to have been exposed to infection from any dangerous disease, unless such article has been disinfected by or to the satisfaction of the Health Officer or a registered medical practitioner or unless under instructions from such a person it is sent with proper precautions to a laundry for the purposes of disinfection with notice that it has been exposed to infection or place or cause or permit to be placed in any dust bin or other receptacle for the deposit of refuse any matter which he knows to have been exposed to infection from a dangerous disease, and which has not been disinfected

5 He shall, without special permit from the Health Officer, let or sublet or permit or suffer any prospective tenant enter a building in which he knows or has reason to know that a person has been suffering

from a dangerous disease within the three months immediately preceding

6 (i) No person who knows that he is suffering from a dangerous disease xxx shall expose other persons to the risk of infection by his presence or conduct in -

(a) any street or public place,

(b) any market, theatre, or other place of entertainment or assembly, or

(c) any school or college, play ground or such other place or

(d) any Hotel, Hostel, boarding house, choultry, rest house or club, or

(e) any factory or shop

EXPLANATION. A person shall be deemed to know that he is suffering from a dangerous disease if he has been informed by the Health Officer or any otherofficer of or above the rank of a Health Inspector or a Medical Practitioner, that he is so suffering

(2) No person who has the care of a person whom he knows to be suffering from a dangerous disease shall cause or permit that person to expose others to the risk of infection by his person or conduct in any place referred to in clause (1) above

7 (a) if a case of dangerous disease occurs on any premises, the health Officer may, whether the person suffering from the disease has been removed from the premises or not, make an order forbidding any work to which this bye-law applies to be given out to any person, living or working on those premises or in such part thereof as may be specified in the order, or any xxxxxx order so made may be served on the occupier of the factory from which the work is given out or any contractor employed by such occupier

8 (b) An order under this bye-law may be expressed to be operative for a specified time or until the premises or any part thereof specified in the order have been disinfected to the satisfaction of the Health Officer or may be expressed to be in operation so long as any other reasonable precautions specified in the order are taken

8 No person who knows that he is suffering from a dangerous disease shall take any book or cause any book to be taken for his use, or use of any book taken, from any public or ciculating library

9 (a) No person having the charge or control of the body of any person who has died while suffering from a dangerous disease shall permit or suffer persons to come unnecessarily into contact with, or promimity to, the body

(b) No persons shall, without the sanction in writing of the Health Officer keep or suffer in any premises for more than 12 hours the body of any person who has died while suffering from any dangerous disease

(c) If any such body remains undisposed of for more than 12 hours without the sanction referred to in clause (b) above, or if the dead body of any person is kept or suffered to be kept in any building, or of any adjoining or neighbouring building, any Magistrate may, on the application of the Health Officer, order the body to be removed and disposed of within a specified time by the Corporation

(d) the expenses of the removal and disposal of any such dead body shall be borne by the Corporation, but such expenses may be recovered as if it were a tax due to the Corporation from any person who would have been legally liable therefor but for such removal and disposal, unless in the opinion of the Corporation he is too poor to do so

(e) If any person dies in a hospital or a place of temporary accommodation for the sick, while suffering from a dangerous disease and the Health Officer certifies that in his opinion it is desirable inorder to prevent the spread of infection, that the body should not be removed from such hospital or place except for the purposes of being taken direct to a burial or burning ground or a crematorium for being forthwith buried or cremated, no person shall remove the body from the hospital or place except for such a purpose

(f) when the body is removed for the purpose aforesaid, it shall forthwith be taken direct to a burial or burring ground or a crematorium and thereburied or cremated with the least practicable delay

10 Any one who removes the corpse of any person who has died of any dangerous disease shall bury or burn withsuch corpse any cloths or clothes used for conveying the same

11 No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall carry on the calling of a washerman or barber or be employed in or assist in the carrying on of such calling No leper and no person suffering as aforesaid shall beg in any public street

12 No washerman shall carry on his calling on the occurrence of any dangerous disease in his premises and he shall not resume his calling without the permission of the Health officer

13 On the occurrence of any dangerous disease in his premises a washerman shall retain allclothes in his possession until the written permission of the Health Officer has been obtained to return them to the owner

14 A washerman shall at once report to the Health Officer or the Divisional Health Inspector all cases of dangerous disease coming to his notice in the course of his calling

15 The person in charge of any premises used for carrying on the calling of a dhobi shall store or cause to be stored soiled clothes in separate rooms

16 No person shall wash soiled clothes in the source or sources of the public water supply

17 If in the opinion of the Health Officer there is imminent danger of the introduction of dangerous epidemic disease, the Commissioner may, (with the sanction of the Government) by public notice, prohibit the entry into municipal limits of persons or persons during a specified period No vagrant or professional begger shall after such notice and during such specified period enter the municipal limits

18 In the event of the prevalence of a dangerous disease in the municipal limits, on the application of the Health Officer, any Magistrate not being a Magistrate of the third class, having local jurisdiction shall have power to prohibit either generally or by special order any individual case, assemblages consisting of any number of persons exceeding fifty, in any place, whether public or private, or in any circumstances or for any purpose, if in his opinion such assemblages in such place, in such circumstances or for suchpurposes, would be likely to become a means of spreading the disease or of rendering it more virulent

19 The Health Officer or any other officer authorised by him may enter upon any premises and take such steps as may be necessary for the purpose of destroying the rats, mice, and other animals susceptible to plague infesting the same, after giving not less than 24 hours previous notice to such occupier or owner

20, (1) Whoever infringes any of the foregoing bye-laws shall be punished with fine which may extend to Rs 50/- and in case of a continuing breach with a fine which may extend to Rs 15/- for every day during which the breach continues after conviction for the first breach, and or

(2) with fine which may extend to Rs 10/- for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach
